A total of 90 credit hours is required. All graduate-level courses are numbered above 500. Students with a completed master's degree from an accredited institution recognized by the ASU Graduate College are automatically given 30 blanket hours toward the PhD, leaving 60 hours to be completed. Coursework typically applied from a master's degree is shaded at the top of each section and included in the blanket 30 hours. See [ASU Graduate Policies and Procedures](#).
